Springtime fun at the Library!

There is no need for children to be bored this Easter holiday with plenty of fun activities on offer at local libraries across Moray. As well as their usual story times and Bookbug story and rhyme sessions, Elgin Library will be holding a Springtime craft session for children on Thursday 31st March from 2.30, and an Animal Sleepover on Wednesday 6th April from 6pm, when children are invited to bring along their favourite cuddly animals to enjoy some bedtime stories.

After their stories, the children may leave their animals for a night in the Library if they wish, and some of their animal antics will be recorded on camera for the children to see.

There is fun to be had at Lossiemouth Library too, with activities throughout the day at a Children's Book Fun Day on Thursday 31st March, including a Bookbug session at 10.30, and a story time at 2.30.

Lossiemouth's children will also be getting crafty, with Springtime crafts on Thursday 7th April at 2.30pm.

For further information on any of these events contact Elgin Library on 01343 562600 or Lossiemouth Library on 01343 813334.

Famous for its colony of dolphins, fabulous beaches and more malt whisky distilleries than any where else in Scotland, Moray is a thriving area and a great place to live. Nestling between Aberdeenshire and the Highlands, Moray stretches from Tomintoul in the south to the shores of the Moray Firth, from Keith in the east to Brodie Castle in the west.
