Keith recycling centre

Operations at the Keith recycling centre in Balloch Road are to be temporarily relocated to the adjacent council DLO site for three weeks from Monday, September 12.

Due to space restrictions, garden waste, soil and rubble cannot be accepted during this time and should be taken instead to either of the recycling centres at Buckie or Dallachy.

The temporary arrangements will allow resurfacing work to be carried out at the Balloch Road recycling centre which will remain manned throughout.

Moray Council area stretches from Tomintoul in the south to the shores of the Moray Firth, from Keith in the east to Forres in the west. The council and its 4,500 employees respond to the needs of 95,510 residents in this beautiful part of Scotland, which nestles between Aberdeenshire and the Highlands.

Famous for its colony of dolphins, fabulous beaches and more malt whisky distilleries than any where else in Scotland, Moray is a thriving area and a great place to live.

Headquartered in Elgin, the administrative capital of Moray.
